

Every childhood lasts a lifetime: PEIN Seminar and Position Paper Launch

Date: October 14th

Time: 9:30am to 1pm

Venue: The Richmond Centre, Smithfield

Programme

10am: Welcome from the Chair

10.15am: Prevention and Early Intervention in Child Health Services – the foundations of a healthy adult life are laid in childhood.

- Presentation of key points from PEIN Child Health Paper (Francis Chance, Chair of PEIN working group)
- Response from Prof. Richard Layte, TCD.

10.50am: Giving the right supports to children and families at the right time – what Adverse Childhood Experiences (ACEs) tells us about the importance of prevention and early intervention.

- Presentation of key points from PEIN ACEs paper (Emma O'Reilly, Chair of ACEs working group)
- Response from Fergal Landy, Regional Manager, Tusla.

11.25am: Audience reflection.

11.40: Panel Discussion: panellists respond to the morning's inputs and take questions from the floor.

- Brenda Mellet, Child Health Development Officer, HSE;
- Stephen Goode, FRC Limerick (TBC);
- Anne McCluskey, Principal, Our Lady of the Wayside in Bluebell National School;
- Caroline Jordan, Tusla.

12.10: Presentation: New outputs from the Prevention and Early Intervention Research Initiative, Ruth Geraghty, Centre for Effective Services.

12.25am: Overview of PEIN and membership process.

12.35: Formal launch of the paper by Prof Trevor Spratt.

12.45: Networking Lunch

Prevention & Early Intervention Network

Promoting positive outcomes for children,
families & communities

End.
